

Stewardship Worksheet

Our financial gifts should not be given on impulse but should be given after carefully considering both our financial means and the needs of the parish.

Like Saint Paul, we should see giving as a joyful act, as an opportunity and as an act of homage to God.

“For it is a duty and honor for Christians to return to God a part of the good things they receive from him.”
-Second Vatican Council

Electronic Giving

In October 2003, Sacred Heart began offering our automated giving program. Since that time, 83 of our 739 “contributing members” (1129 total members) or 11% have chosen to participate in this program. Several members have told us how much they appreciate that their financial gifts to Sacred Heart continue even if they are out of town and unable to attend mass at Sacred Heart.

Perhaps Electronic Giving is a way to help you achieve your stewardship goal for Sacred Heart. You can sign up for Electronic Giving at any time by completing the enclosed Electronic Giving authorization form. Contact Michelle Carlson – Parish Bookkeeper, in the parish office for more details.

A new way to give, Sacred Heart is embracing a giving option that may be more convenient for many of our parishioners – Credit Card contributions. **Traditional choices remain**; all registered parishioners will continue to receive envelopes, including envelopes for special collections for a variety of needs.

If you do not currently use envelopes, please consider participating in either our envelope program or the Electronic Giving program. Our parish needs your consistent support.
